

SUMMER SWAG WORKSHOP 2010

Northern Dance Academy

This summer, Northern Dance Academy is very excited to offer our dancers a special intensive workshop featuring an entire week of classes taught by guest faculty from all over the country!! Some will be familiar faces, some will be new to the NDA family, but every instructor is guaranteed to help NDA dancers kick the summer off with a bang!

Performers in Training Intensive – Ages 6-11 (9am – 11am):

This week of classes is meant to give our up-and-coming performers some new and exciting personalities to work with! They will learn a combination of technique and performance qualities that will let us know exactly where they will fit in to the NDA Performance Troupe Family!!

Performance Company Intensive – Ages 12+ (Noon – 8pm):

This week will push our dancers by pairing them with guest artists from all over the country! Each member of our faculty will share their training styles and techniques with our dancers, and then provide choreography exercises that will allow the dancers to put what they've learned into action.

Participants may also pre-order a Northern Dance Academy SUMMER SWAG WORKSHOP 2010 t-shirt, featuring the names of our guest instructors, for only \$15. See the registration form for more details.

Though anyone is welcome to participate in this week of class, these intensives are required for any dancer who wishes to participate in the 2010-2011 Performance Company, as we will spend the week observing dancers in each of their classes to determine their skill level in each discipline so we may place them on the proper team. If you cannot attend these intensives, please speak with Rana or Jenn directly.
